Effective November 3, 2020 the following process will be implemented with respect to visitation from family and friends with the residents of St. Francis Commons.

1. Visitation will be permitted inside, only in the designated areas Tuesday, Wednesday and Thursday 1:00pm-3:00pm.
2. Visitation will be limited to one family member per resident and will be 30 minutes in length. Visits will be 1:00-1:30, 1:45-2:15 and 2:30-3:00 allowing for 15 minutes to clean/sanitize and screen new visitors.
3. Family must contact St. Francis Commons prior to visitation to reserve their spot. Visitation reservations will be on a first come first serve basis.
4. There will be a staff person present at the entry point to screen each family member for temperature, sanitizing hands and ensuring they all have a mask and maintain a six foot social distance from residents at all times. They will also be required to sign the visitor screening tool.

**If a family member refuses to wear a mask, they are not permitted into the building.
5. There will be ground markers placed designating 6 foot distances between residents and family members. Furniture is not to be moved and family will be required to maintain the six foot distance at all times.
6. At the conclusion of each visit, all benches and chairs will be sanitized to prepare for the next visitation.

All above terms are subject to change based on testing results of staff and residents (if necessary).
